CambridgeSoft End-User License Agreement for Software Products

Important: This CambridgeSoft Software License Agreement (“Agreement”) is a legal agreement between you, the end user (either an individual or an entity), and CambridgeSoft Corporation (“CS”) regarding the use of CS Software and Database Products, which may include computer software, the associated media, any printed materials, and any “online” or electronic documentation. By installing, copying, or otherwise using any CS Software Product, you signify that you have read the CS End User License Agreement and agree to be bound by its terms. If you do not agree to the Agreement’s terms, promptly return the package within 30 days of purchase and all its contents to the place of purchase for a full refund.
CambridgeSoft Software and Database License

1. Grant of License. CambridgeSoft (CS) Software Products are licensed, not sold. CS grants and you hereby accept a nonexclusive license to use one copy of the enclosed Software Product (“Software”) in accordance with the terms of this Agreement. This licensed copy of the Software may only be used on a single computer, except as provided below.

You may physically transfer the Software from one computer to another for your own use, provided the Software is in use (or installed) on only one computer at a time. If the Software is permanently installed on your computer (other than a network server), you may also use the Software on a portable or home computer, provided that you use the software on only one computer at a time. You may not (a) electronically transfer the Software from one computer to another, (b) distribute copies of the Software to others, or (c) modify or translate the Software without the prior written consent of CS, (d) place the software on a server so that it is accessible via a public network such as the Internet, (e) sublicense, rent, lease or lend any portion of the Software or Documentation, (f) modify or adapt the Software or merge it into another program, (g) modify or circumvent the software activation, or (h) reverse engineer the software activation so as to circumvent it. The Software may be placed on a file or disk server connected to a network, provided that a license has been purchased for every computer with access to that server. You may make only those copies of the Software which are necessary to install and use it as permitted by this agreement, or are for purposes of backup and archival records; all copies shall bear CS’s copyright and proprietary notices. You may not make copies of any accompanying written materials.

With a fixed license, the software cannot be installed on more than the number of computers equivalent to the number of fixed licenses purchased. For example, a 10-user fixed license means the software can be installed on no more than 10 different computers. A fixed license cannot be installed on a server. With a concurrent license, the software can be installed on any number of computers at the organization, but the number of computers using the software at any one time cannot exceed the number of concurrent licenses purchased. For example, a 10-user concurrent license can be installed on 20 computers, but no more than 10 users can be using it at any one time. If the number of users of the software could potentially exceed the number of licensed copies, then Licensee must have a reasonable mechanism or process in place to assure that the number of persons using the software does not exceed the number of copies.

CambridgeSoft reserves the right to conduct periodic audits no more than once per year to review the implementation of this agreement at the Licensee’s site. At CambridgeSoft’s request, Licensee will provide a knowledgeable employee to assist in said audit.

2. Ownership. The Software is and at all times shall remain the sole property of CS. This ownership is protected by the copyright laws of the United States and by international treaty provisions. Upon expiration or termination of this agreement, you shall promptly return all copies of the Software and accompanying written materials to CS. You may not modify, decompile, reverse engineer, or disassemble the Software.
3. Assignment Restrictions. You may not rent, lease, or otherwise sublet the Software or any part thereof. You may transfer on a permanent basis the rights granted under this license provided you transfer this Agreement and all copies of the Software, including prior versions, and all accompanying materials. The recipient must agree to the terms of this Agreement in full and register this transfer in writing with CS.

4. Use of Included Data. All title and copyrights in and to the Software product, including but not limited to any images, photographs, animations, video, audio, music, text, applets, Java applets, and data files and databases (the “Included Data”), are owned by CS or its suppliers.

- You may not copy, distribute or otherwise make the Included Data publicly available.
- Licensed users of ChemOffice Enterprise and Workgroup and the accompanying Plug-in software products may access, search, and view the Included Data and may transmit the results of any search of the Included Data to other users of the licensed ChemOffice Enterprise and Workgroup software products within your organization only, provided that such transmission is via an internal corporate (or university) network and is not accessible by the public.
- You may not install the Included Data on non-licensed computers nor distribute or otherwise make the Included Data publicly available.
- You may use the Software to organize personal data, and you may transmit such personal data over the Internet provided that the transmission does not contain any Included Data.
- All rights not specifically granted under this Agreement are reserved by CS.

5. Limitations on Use. (a) Desktop versions of E-Notebook, Inventory, and BioAssay are licensed for use with SQL Server Express, and are not licensed for use with SQL Server. Licenses for use with SQL Server are available separately. (b) Workgroup versions of E-Notebook, Inventory, and BioAssay are licensed for use with SQL Server and SQL Server Express. (c) Except as expressly provided by copyright law, copying, redistribution, or publication, whether for commercial or non-commercial purposes, must be with the express permission of CS, Merck, or other CS partner. In any copying, redistribution, or publication of copyrighted material, any changes to or deletion of author attribution or copyright notice, or any other proprietary notice of CS, Merck, or other Database producer are prohibited.

6. Separation of Components. The Software is licensed as a single product. Its component parts may not be separated for use on more than one computer, except in the case of ChemBioOffice Enterprise. ChemBioOffice Enterprise includes licenses for ChemBioDraw ActiveX and licenses for ChemBio3D ActiveX. The ActiveX software products may be installed on computers other than that one on which ChemBioOffice Enterprise is installed. However, each copy of the ActiveX is individually subject to the provisions of Paragraphs 1 through 4 of this Agreement.

7. Educational Use Only of Student Licenses. If you are a student enrolled at an educational institution, the CS License Agreement grants to you personally a license to use one copy of the enclosed Software in accordance with the terms of this Agreement. In this case the CS License Agreement does not permit commer-
cial use of the Software nor does it permit you to allow any other person to use the Software.

8. Modification of Databases, Web sites, or Subscription Services. CS reserves the right to change, modify, suspend or discontinue any or all parts of any Paid Subscription Services and databases at any time.

9. Termination. You may terminate the license at any time by destroying all copies of the Software and documentation in your possession. Without prejudice to any other rights, CS may terminate this Agreement if you fail to comply with its terms and conditions. In such event, you must destroy all copies of the Software Product and all of its component parts.

10. Revocation of Subscription Access. Any use which is commercial and/or non-personal is strictly prohibited, and may subject the Subscriber making such uses to revocation of access to this Paid Subscription Service, as well as any other applicable civil or criminal penalties. Similarly, sharing a Subscriber password with a non-Subscriber or otherwise making this Paid Subscription Service available to third parties other than the Authorized User as defined above is strictly prohibited, and may subject the Subscriber participating in such activities to revocation of access to the Paid Subscription Services; and, the Subscriber and any third party, to any other applicable civil or criminal penalties under copyright or other laws. In the case of an authorized site license, a Subscriber shall cause any employee, agent or other third party which the Subscriber allows to use the Paid Subscription Service materials to abide by all of the terms and conditions of this Agreement. In all other cases, only the Subscriber is permitted to access the Paid Subscription Service materials. Should CambridgeSoft become aware of any use that might cause revocation of the license, they shall notify the Subscriber. The Subscriber shall have 90 days from date of notice to correct such violation before any action will be taken.

11. Confidentiality. The Software contains trade secrets and proprietary know-how that belong to CS and are being made available to you in strict confidence. ANY USE OR DISCLOSURE OF THE SOFTWARE, OR USE OF ITS ALGORITHMS, PROTOCOLS OR INTERFACES, OTHER THAN IN STRICT ACCORDANCE WITH THIS LICENSE AGREEMENT, MAY BE ACTIONABLE AS A VIOLATION OF OUR TRADE SECRET RIGHTS.

CS Limited Warranty

Software Limited Warranty. CS’s sole warranty with respect to the Software is that it shall be free of errors in program logic or documentation, attributable to CS, which prevent the performance of the principal computing functions of the Software. CS warrants this for a period of thirty (30) days from the date of receipt.

CS’s Liability. In no event shall CS be liable for any indirect, special, or consequential damages, such as, but not limited to, loss of anticipated profits or other economic loss in connection with or arising out of the use of the software by you or the services provided for in this agreement, even if CS has been advised of the possibility of such damages.

CS’s entire liability and your exclusive remedy shall be, at CS’s discretion, either (A) return of any license fee, or (B) correction or replacement of software that does not meet the terms of this limited warranty and that is returned to CS with a copy of your purchase receipt.
Database Representations and Limited Warranty. The User shall indemnify, defend and hold CS, Merck, and/or other Supplier harmless from any damages, expenses and costs (including reasonable attorneys’ fees) arising out of any breach or alleged breach of these Terms and Conditions, representations and/or warranties herein, by the User or any third party to whom User shares her/his password or otherwise makes available this Subscription Service. The User shall cooperate in the defense of any claim brought against CambridgeSoft, Merck, and/or other Database Suppliers. In no event shall CS, Merck, and/or other Supplier be liable for any indirect, special, or consequential damages, such as, but not limited to, loss of anticipated profits or other economic loss in connection with or arising out of the use of the software by you or the services provided for in this agreement, even if CS, Merck, and/or other Supplier has been advised of the possibility of such damages. CS and/or Merck’s entire liability and your exclusive remedy shall be, at CS’s discretion a return of any pro-rata portion of the subscription fee. The failure of either party to assert a right hereunder or to insist upon compliance with any term or condition of this Agreement shall not constitute a waiver of that right or excuse a similar subsequent failure to perform any such term or condition by the other party.

No Waiver. The failure of either party to assert a right hereunder or to insist upon compliance with any term or condition of this Agreement shall not constitute a waiver of that right or excuse a similar subsequent failure to perform any such term or condition by the other party.

Governing Law. This Agreement shall be construed according to the laws of the Commonwealth of Massachusetts.

Export. You agree that the Software will not be shipped, transferred, or exported into any country or used in any manner prohibited by the United States Export Administration Act or any other export laws, restrictions, or regulations.
